Open Your Demat Account Online

Step-by-step guide to the Vardhaman Capital online KYC (client registration). It takes about 10–15 minutes.

Keep these ready before you start

- Mobile number linked to Aadhaar
- PAN card
- Email ID
- Bank account number and IFSC code
- Signature on plain white paper (clear photo or scan)
- Income proof – only if you want F&O / Commodity trading
- Nominee details (PAN/Aadhaar, date of birth, mobile)
- Phone or laptop with a working camera

START · Open the account opening link

- Open the account opening link: **https://ekyc.vardhamancapital.co.in/**
- Enter your 10-digit mobile number (use the one linked to your Aadhaar).
- Tick **I Agree to all Terms & Conditions** and click **Get Start**.

STEP 1 · Mobile Verification

- Enter the 6-digit OTP sent to your mobile. The OTP is valid for 2 minutes only.
- Did not get it? Wait for the timer to end, then click **Resend OTP**. Wrong number? Click **Edit**.
- Keep the consent box ticked and continue.

STEP 2 · Email Verification + Aadhaar (DigiLocker)

- Enter your email ID and verify it, or simply click **Sign in with Google / Microsoft**.
- You will be taken to DigiLocker (government website). If it asks for your location, you can allow it.
- Sign in with your mobile number (or Username / Aadhaar) and enter your 6-digit DigiLocker security PIN.
- Enter the OTP DigiLocker sends to your mobile and email. No DigiLocker account? Click **Sign Up** first.
- On the consent page, keep **Aadhaar Card** and **PAN Verification Record** ticked, then click **Allow**.

STEP 3 · PAN Verification

- You will see “Aadhaar verified successfully” at the top of the page.
- Enter your 10-character PAN (example: ABCDE1234F) and click **Verify PAN**.
- Your name and PAN details are fetched automatically from official records.

STEP 4 · Bank Verification

- Enter your bank account number and IFSC code (printed on your cheque book or passbook).
- Bank name, branch and address fill in automatically. Check that they are correct.
- Click **Verify & Proceed**. ₹1 will be credited to your account to confirm it belongs to you.
- Use a bank account that is in your own name.

STEP 5 · Personal Details

- **Basic:** marital status, spouse name (if married), mother's name, father's name, education.
- **Financial:** occupation, annual income, residential status, stock market experience, source of income.
- **FATCA:** nationality and country of birth. Turn on the toggle only if you pay tax in a country other than India.
- **Plan:** choose your account category – Basic Services Demat Account (BSDA), Non-BSDA, or BSDA Opt Out.
- **Declarations:** tick **Debit and Pledge Instruction** and **Declaration**; choose settlement (monthly or quarterly); choose whether you need a DIS booklet; confirm you are not a politically exposed person. Click **Continue**.

STEP 6 · Document Upload

- **Signature:** sign on plain white paper with a blue or black pen, take a clear photo, click **Upload Signature**.
- Allowed files: JPEG, PNG or PDF, up to 3 MB each.
- **F&O / Commodity (optional):** turn on **Derivative segments**, tick the segments you want, then under **Financial Statements** select the document type and upload your income proof.
- **Nominee:** click **+ Add Nominee** and fill PAN/Aadhaar, name, mobile, relation, share %, date of birth and email. The shares of all nominees must add up to 100%. Then click **Next**.

STEP 7 · Photo Capturing (In-Person Verification)

- Read the notice, tick **I agree to the use of my device camera** and click **Accept**.
- Allow camera access when your browser asks.
- Sit in good light, look straight at the camera (no cap or sunglasses) and take your live photo.

STEP 8 · eSign with Aadhaar OTP

- Check your Onboarding Summary (name, mobile, email, PAN, bank). Click **View PDF** to read your form.
- Tick the confirmation box and proceed. You will be taken to the Protean (NSDL) eSign page.
- Tick the authorisation box, enter your 12-digit Aadhaar number or Virtual ID, and click **SEND OTP**.
- Enter the OTP sent to your Aadhaar-linked mobile and submit. Do not press Back or Refresh.

DONE · Your application is submitted

- Your Client Code is shown on the screen. Note it down.
- Your login ID and password will come by email and SMS once your account is created.
- Change your password when you log in for the first time.
- Click **View Document** to download a copy of your signed form.

- OTPs for DigiLocker and eSign go to your Aadhaar-linked mobile. If that number is not with you, you cannot finish.
- Stopped midway? Open the same link and enter the same mobile number to continue your application.
- **Never share your OTP or DigiLocker PIN with anyone, including our staff.**
